

Guest Licence Regulations

for foreign riders, drivers and vaulters (other than “Competitors living abroad”) for the participation in national events in Germany

1) These documents are required and must be sent to the German NF:

- a) written permission from the competitor's home NF
- b) written permission from the organiser(s) of the event(s) concerned
- c) completed application form

2) Restrictions

- a) maximum number of foreign competitors with a guest licence in national events:
15 in a CDN (dressage), CSN (jumping), CCN (eventing),
CVN (vaulting) for individuals, CEN (endurance), CRN (reining)
8 in a CAN (driving)
2 in a CVN (vaulting) for teams
- b) maximum four nations to take part per event
- c) maximum period for which the guest licence will be granted:
eight events per year

3) Costs of a guest licence

For each guest licence which is valid for up to four events, the fee amounts to 91,63 €. If you wish to have your guest licence extended to a total of eight events, the fee of 91,63 € is due a second time for events number five to eight. The fee must be paid at the time of applying for the guest licence, before competing for the first time. Please transmit the money for the guest licence to the following bank account:

Account holder: Deutsche Reiterliche Vereinigung
IBAN DE 14 4005 0150 000000 6015
Bank: Sparkasse Münsterland Ost
SWIFT - BIC Code WELADED 1MST

4) Performance class and ranking points

Every competitor applying for a guest licence will be assigned to a performance class (→ LPO section A, § 63, and section D “Durchführungsbestimmungen zu § 63”). If you have a record of results in German events within the past years, you are classified according to these results; otherwise you can mark the choice of your performance class on the application form. Since all German riders also have ranking list points, a number of points that represents the average for that particular performance class is assigned to you.

In case you have extended your initial guest licence from four to eight events, your performance class remains unchanged unless you have sent a written application for an upgrade and provided the results you achieved during the first four events justify that upgrade.

5) Your horse or pony

All horses and ponies must have a passport accompanying them at all times, and the vaccinations must be up to date in accordance with the scheme in LPO section D “Durchführungsbestimmungen zu § 66.3.10”.

No guest licence fees occur for horses or ponies.

All entries must be sent to the organiser of the event and besides the rider's/vaulter's details must contain:

Name of the horse or pony, date of birth, colour, sex, studbook, name of sire, name of dam's sire, owner, FEI passport number – if any -, German registration number if it is a horse of German origin.
